Client Testimonials

talk radio europe

"Spence Clarke & Co., has been advertising with TRE for 5 years, the response was not immediate, good business always takes a while to happen, and happen it did. Over the years we have had many clients come on board as a direct result of this advertising. Thanks TRE and like it or not Spence Clarke & Co. are staying with you!"

Susan Spence Clarke

Partner, Spence Clarke & Co. Chartered Accountants

"Talk Radio Europe produced a polished and effective radio advertising campaign to promote British Airways' Spanish routes from London City. The ease of working with the team, coupled with highly efficient production has produced fantastic results."

Gary Fozzard

Commercial and Marketing Coordinator BA CityFlyer

"Over the years, I have happily been able to consistently recommend Talk Radio Europe to my clients as the ideal vehicle to reach the wealthy, English-speaking expatriate community. TRE has proved to be very successful in bringing results to all our clients as the programming is designed to reach the "thinking" and "wealthier" resident in Spain. The coverage of the radio station reaches the main areas populated by English speaking expats and as a result, makes it easy for PLC, as an advertising and media agency, to recommend TRE to our clients. All our clients who have advertised on Talk Radio Europe, have renewed their contracts and become long term advertisers due to the consistent results they receive."

Philip Langley

Managing Director, PLC Advertising & Marketing

To Hannah Murray

"Thank you for a great interview. I've done dozens this week and you are the first person to actually do some research before asking questions. I can't tell you how much I appreciate that. Thanks Again."

Ms Jerramy F

To Bill Padley

"I have recently experienced problems with your advertiser XXXXXXXXXX and cannot emphasize enough how much help I have received from your employee, Julie Baum in trying to sort the situation out. Without doubt she has gone beyond the call of duty with her personal caring involvement and incredible work attitude, not normally found in this day and age! You've got yourself a rare treasure. Best wishes"

Angela W.

To Hannah Murray

"I was fascinated to see my book go surging up the Amazon Rankings from 220,000 to just over 40,000 only a few hours after your interview was broadcast. It just goes to show the power of TRE."

Nuria

To Howard Brereton

"I do feel I've got to know you over the years and I am so happy when I get to hear your voice these days on TRE, especially yesterday with the Spanish lesson on Flamenco. I listen to TRE mainly for the news at 3pm. To me TRE is the closest thing we have here in the Costa Blanca to Radio 4... and your broadcasts are always so diverse and interesting. Just wanna say thank you."

Beth A

To TRE Team

"Having recently returned back from holiday in Benidorm to the UK, I must congratulate you on your splendid programme content. During the 2 weeks, I listened to your station at least 3 hours a day. I like very much the news on the hour, UK news followed by Spanish news. The review slots were also very informative and interesting. In fact, as a result of a book review, today I purchased a copy of "The Strange Death of Europe". Thank you."
